References: *Construction Industry Long Service Leave and Benefits Act:*

Section 70 – Money of Board

Section 71 – Account keeping etc.

Policy: All applications for sponsorship must be in writing and presented to the Board for determination.

Generally, sponsorship would only apply in exceptional circumstances, would have a specific benefit to NT Build and would have relevance to the construction industry as a whole.

Sponsorship may also be provided by other means of support, including NT Build official attendance at industry events and functions. This specific category of sponsorship will be determined by the Registrar in consultation with the Chairman and limited by the financial parameters set by the Budget.

<p>This is intended as a guide only and is not intended to bind the Board to any particular action or decision about the administration of requests for sponsorship support.</p>
